Date: _____

Name(s) of Producer/Owner: _____

Producer/Owner Signature: _____

Address: _____

City: _____ State: _____ Zip: _____

Phone Number: _____ County: _____ Farm Number: _____

Tract Number: _____ Section: _____ Township: _____ Range: _____

- Winter Kill - Termination

- Mechanical/Chemical Termination

Acres: _____

Additional Acres: _____

(Additional Acre signup available after October 15, 2020)

Documents needed from producer:

- Cover Crop seed invoices (Includes seed tag, fertilizer (if used) and application type). Also, must include date, amount purchased, cost and location.
- Termination invoices (includes type of mechanical and/or chemical (surfactant and application)). Also, must include date and amount purchased, cost, location and number of acres terminated.
- Signed Cover Crop Contract with Sangamon County Soil & Water Conservation District.

****Cost-share for implementing cover crop practices will be based on receipts turned in to Sangamon County SWCD and shall not exceed \$30/acre.****

****There will be a 100 acre maximum sign up per producer until October 15, 2020. After that deadline, the acreage cap will be lifted and producers will be able to sign up Additional Acres until October 23, 2020 or until the acreage quota has been reached. Acres enrolled must be within the Lake Springfield Watershed. Sign up will be on a first-come-first-served basis. For more information please contact Sangamon County SWCD 217-241-6635**
